TYPES OF MINISTRIES

These are the types of ministries that are typically offered during Familyfest.

Backyard Bible Club/VBS: Be prepared to provide some or all materials needed for this type of ministry.

Light Construction/Repairs: Provide construction expertise for churches and/or houses in the communities in which they serve. Projects could include: painting, yardwork, etc. (Both skilled and unskilled volunteers are needed.)

Servant Ministries: This incorporates a wide variety of ministries. Examples include passing out bottles of water in a designated area, canvassing a community, providing free items from the sponsoring church/ministry, and participating in cleanup and beautification of public and private sites.

Social Ministry: Providing ministries in the communities by working with homeless shelters, clothing closets, food pantries/banks, soup kitchens, community center ministries, tutoring for children, etc.

Block Party: Share the love of Christ through games, food, and fun festivities.

Praying: Pray on site with insight. Prayer is VITAL in all that we do.

Senior Adult Ministry: Serve the elderly in the communities through light construction/cleanup/yard work.

Evangelism Ministries: Sharing the gospel with members of the community.

Health and Wellness Ministries: Through our partnership with Baptist Nursing Fellowship, there will be opportunities for health fairs at local community centers. Some activities will include blood pressure and glucose testing.

Sports Camps: Coaching of sports activities, teaching a Bible study, and sharing the Gospel with students in the community.

TRANSPORTATION

Do we have to provide our own transportation to our ministry site each day, or is it provided for us?

You are responsible for your own transportation to your site each day.

MEALS

Are our meals provided or will we be “on our own” for meals?

A meal may be provided for you while serving on your ministry site. Participants in daytime ministries may be served a midday meal, and evening-ministry participants may be served an evening meal. You will generally be responsible for at least one meal, maybe two per day. The last day of ministry will be followed by a celebration. The evening meal at the celebration is provided for you at no additional cost.

MINISTRIES

Will we have a say in what type of ministry we will serve, or is it just “potluck”?

There is a ministry selection section of the registration form. We ask for you to provide us with the skill sets that your team has, that you would like to utilize while serving.

Not everyone on our team has the same skill set. Do we all have to stay together as a team, or can we work in more than one ministry?

If you have a large team with more than one vehicle (bus, van), you can choose to have more than one team. (Please have team members designate their individual preferences when registering. If your team leader is registering all team members, you may outline individual preferences in the box

below “Ministry Selection” on the Registration Form.) If your team is small, you may be paired with another team.

Please keep in mind that all ministries are important. Some happen to be more visible than others. Remember that relationships are more important than tasks.

Will we have to prepare for our ministry assignment?

Many of the ministry assignments will require some preparation. We will work to connect you with the local leaders so they can help you as you prepare for your ministry assignment. Often times, preparations are needed for ministries such as Bible Clubs and VBS.

REGISTRATION

We have completed registration. What’s next?

Please note: As long as your completed registration is submitted on or before the registration deadline, we will honor the applicable rate.

Registration is transferable at no charge before the registration deadline. After the registration deadline, there will be a \$20 charge for transferring a registration.

Team leaders, once we receive your completed registration, we will send you missions trip training materials via email. (See Communication.) We encourage you to begin this training as an individual or as a team as soon as possible. Being spiritually, physically, and mentally prepared for this missions experience is of vital importance.

Team leaders: Keep a copy of all forms (registration, medical release, ministry selection) for your own records.

FAMILYFEST CANCELLATION POLICY

If you must cancel your Familyfest registration, the cancellation deadline with a partial refund is June 22, 2017. The refundable amount will be your registration fee less \$50 per person registered. After June 22, 2017, no refunds will be given for cancellations.

We must have a minimum of 50 volunteers at each Familyfest. If we do not have the minimum number of volunteers registered at the conclusion of the registration deadline, the Familyfest will be cancelled. Those who have registered will receive a full refund shortly following the deadline. You will be contacted by phone and email to let you know of the cancellation. At that time, you can decide whether or not to continue to serve in the area in which the Familyfest was to occur.

COMMUNICATION

In order to communicate with you in a timely manner, our primary communication channel is through **EMAIL**. We will send your registration confirmation, training materials, ministry assignments, and any other information needed for your missions trip. If the team leader does not have email, he or she will need to designate a team member to receive all team communications. The person listed as team leader will be the primary person of contact for us as we share information with your group.

FAMILY

Familyfest is designed with families in mind. Families will serve together. We are able to provide a discounted rate for families. Families are those who are related to one another, such as married

couples, their children, grandchildren, nieces, nephews, brothers, cousins, etc. You get the picture. We are not able to give family discounts to those who are a “church” family.

MINISTRY ASSIGNMENTS

When will we find out about our ministry assignment?

We will send information via email to your team leader (or designated team member) about your assigned ministry as quickly as possible. This will include contact information for the local person in charge of your assigned ministry. This person will be able to give you more detailed information on the ministry and preparation for your team. Your team may need to provide materials needed to conduct the ministry.

Ministry assignments are usually made within a week after the registration deadline.
