

Facts about Moscow

- Moscow has more than 12 million people.
- In 2017 Moscow was the 13th most expensive city in the world.¹ (Only 12 cities in the world had higher prices!)
- Moscow is well known for its architecture. It has the tallest skyscraper in Europe.
- The city is full of museums, art galleries, sports stadiums, and entertainment spots.
- It is common in Russia for married couples to live with their parents.
- Russians love to eat potatoes, and they are in many recipes. If you like mayonnaise, you'll be happy to know it's used in many dishes!
