

Throughout the world people are at constant risk of contracting diseases or parasites from their water. Many are forced to carry heavy jugs of water for miles just to be sure their families have clean, healthy water. For others, the prospect of clean water is simply non-existent.

Pure Water, Pure Love<sup>SM</sup>, a ministry of WMU<sup>®</sup>, changes lives throughout the world by providing

- water filters for missionaries
- water bottles for short-term missions teams
- grants for community water filters and wells
- clean water resources for WorldCrafts artisan groups

Please pray for Pure Water, Pure Love:

- Pray that God will enable those receiving clean water to know Jesus, the Living Water.
- Pray that those serving overseas will stay healthy as they share the good news of Jesus Christ.
- Pray that the ministry of Pure Water, Pure Love will grow and thrive so whole communities will have their most basic physical needs met. Pray that as their physical needs are met, their hearts will be opened to receive spiritual healing.

*"I have been so excited to see how they have not just drilled wells, but have continued to improve them, adding pumps, towers, and even solar panels to one of them. The wells have also helped the ministry's orphanage. Previously, children would haul their water down a dirt path, or draw it from the dirty canal for bathing or laundry. Now it is piped in and they have immediate access. And, the newly-installed solar panel over the pump makes water available even when the electricity is out, which is often."*
