# Pray for the Rohingya

- The Rohingya have been persecuted and driven violently from their homeland in Myanmar (Burma). Pray that they will know the peace of Christ and the rest He offers. Pray they will have dreams and visions about Christ to encourage them to seek Him, and ask God to send laborers to explain the gospel to them. *Matthew 9:38*
- Many Rohingya live in refugee camps. Pray for safety, especially for the women. Pray for health in difficult living conditions. *Psalms 91:1-6*
- Pray for wisdom and stamina for Christian workers as they work among Rohingya who are traumatized by their past. *Psalms 62:8*
- As Rohingya move from refugee camps into other housing and other countries, pray they will find jobs, opportunities to learn a new language, and Christians who will help them adjust. *Matthew 25:35*
- Pray for Rohingya children who have lost parents, have had no schooling, receive inadequate nutrition, and don't know how to play. Pray that Christians will nurture them so they will know the love, joy, and peace of the Heavenly Father. *Matthew 19:14*
