

Pong Hau K'i Board

Play this traditional Southeast Asian children's game.

What you do:

1. Each player will place two playing pieces on the gameboard.
One player will place his playing pieces in the upper corners.
The other player will place his in the lower corners.
2. Decide who will go first. This player will move his playing piece to the center of the gameboard.
3. Players will take turns moving their pieces until one of the players is blocked and cannot move. Skipping over pieces is not allowed.
