

Back-to-School Prayerwalk/ride

September is the perfect time to walk or ride together to pray for the new school year. Meet at the church or in homes around your community. Share these ideas for prayer:

- Pray for teachers, principals, and school board members.
- Pray for wise rules and guidelines of the school board.
- Pray for new people in the community who are adjusting to a new area. Pray for children who are adjusting to a different school.
- Pray for your church's outreach to families with children and teens.
- Pray for safety for students of all ages.
